Dear partners and friends,

God continues to manifest His love and power in Peru in ways I could never have imagined.

The following report has been written by Pastor David Gomez from Esmirna Church in Tarapoto city of 115,000 Inhabitants.

It is a reminder of how the Lord is using you, dear partner, to change the lives of people forever, through your prayers and financial giving. Thank you for your faithfulness it is making a difference for eternity. "One life at a time."

Pastor David Gomez reports:

Unloading bags full of food and medicines to be distributed.

God used him and his team to hold meetings with pastors of ten communities in the Requena area. This is four hours of rugged jungle terrains away from their home church.

We shared God's encouraging Word, humbling ourselves before the Lord and prayed with deep thankfulness in our hearts. Most of the people had Covid 19.

Given the fact that the government has not helped at all in these rural areas, we, as representatives of the Body of Christ were enabled to bring the relief which your generous donations provided... Desperately needed food, medications and new hope.

Together we celebrated people's survival and recorded their testimonies of how Jesus delivered them from death.

Praise be to God, not one of the Pastors from that valley died. Almost all villagers in the area had been infected by the Virus.

At the indigenous native village of Shapaja, we had a meeting with about 150 people to whom we brought food, medications and shared the gospel. Many souls received the Savior, experienced the power of the Holy Spirit and 14 were baptized.

God has also given us the opportunity to start a new church there.

Thank you for caring.

Jungle adventures on the way to the village.

Lima, Perú:

Emma the miracle baby.

Oscar and Eliana have been married for 7 years and have been unable to conceive a baby. They have exhausted all medical possibilities to fulfill their dream of being parents. The medical consensus was that they were not able to have a child.

As Eliana and I were standing in the lobby of the church, a mother approached me and showed me her baby saying “this is the baby you prayed for.”

A year ago, this woman was in the same position as Eliana and now stood as a testimony before us of God’s

faithfulness and miracle-working power. It lifted Eliana’s faith and now she has a beautiful baby girl! Praise the God of the impossible, He answers, He is faithful.

To Him be the Glory.

When we serve the Lord, He promises in Exodus 23:26

“No one shall suffer miscarriage or be barren in your land”
